# Company Overview

Starting from the journey from 2019 with our passionate software expertise, Odox SoftHub today is a trusted software venture expanding beyond its current operation in India, UAE, Oman, KSA, Singapore, and Sri Lanka. As one of the leading Odoo partners, Odox Soft Hub has gained a reputation as a well-established firm with more than 8+ years of experience in developers and experienced employees.

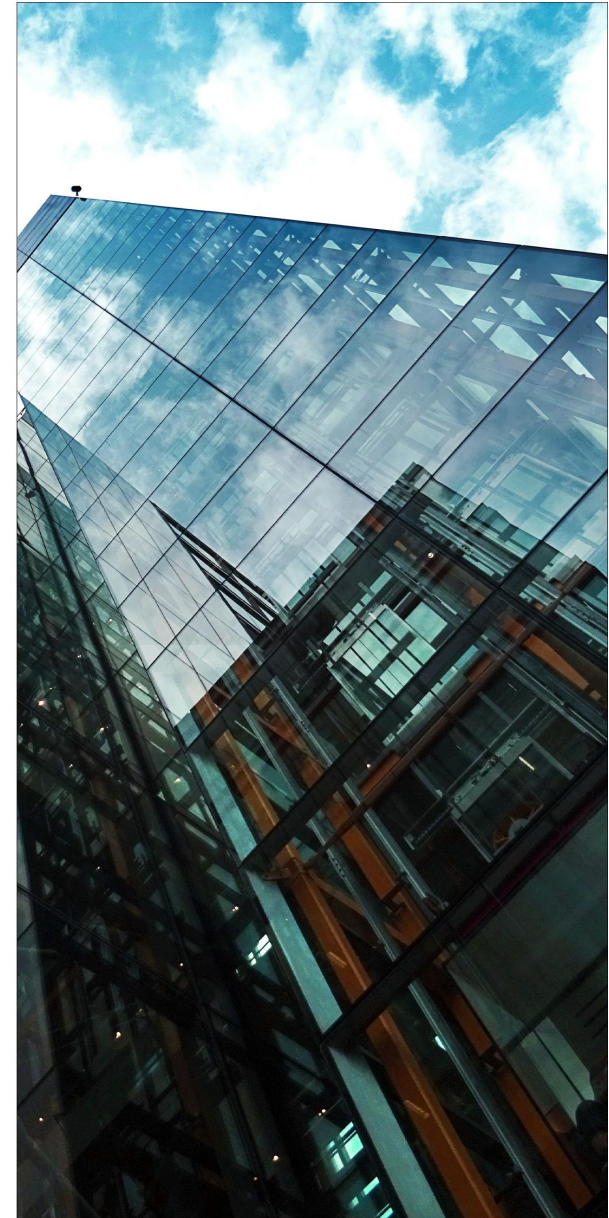

We deliver a range of software development solutions that includes Odoo Development, Odoo Resources, Odoo Customization, Odoo Implementation, Web Design & Development, and Mobile App Development. We proudly present our in-demand products such as Oxap-Eye Hospital Management Software, On-demand delivery App, and Insurance Management Solution.

# Who We Are ?

We are a team of highly qualified intellectual professionals, most of whom have extensive experience in diverse areas of Information Technology. Our management ensures that each individual excels in their specific task by working closely with them.

Based on the collective experiences of our team members, we developed a focused and innovative approach. With a combination of practical business knowledge and strong technical expertise, we can comprehend the client's business requirements, propose IT strategies as well as implement high-quality scalable business solutions.
